

For Parents & Teachers, Headmasters, Principals & Inspectors of Schools.

4. Alphabet & Physical Problem Locator Programme - One year

After completion of “**Alphabet Engineering Programme**”, you would have mastered the skill of Handwriting with an in-depth knowledge of the subject with a fine blend of theory and practice to become an inspiring demonstrator of the skill.

The next step is to learn to locate problems in children, youngsters and grown-ups. The Maestro will empower you to understand child development and its nuances and various problems like Dyslexia, Dysgraphia, Writer’s Cramp and other inherent problems.

With this knowledge you will observe children, youngsters and grown-ups for a year at the maestro’s classes, schools, home and other places too.

You will be trained to take photographs, videos, collect handwriting samples, make notes as well as record the findings. You will maintain a file of all these and submit them to the Maestro.

The Maestro will scrutinise and assess your abilities and the level of observations and if you are found competent, he will certify you as

“Alphabet & Physical Problem Locator”
